Where Country Wedding Dreams Come True

WELCOME TO
Country Acres

What began as a dream for a new country home on the family farm, restoration of the 1930's hip-roof dairy barn, and re-establishment of the beautiful flower gardens of generations before us, soon became a destination for family and friends to gather, relax, rejuvenate, and re-connect.

Now you too can enjoy our farm in the country and our rural hospitality for your special day. Our wedding season runs from the beginning of June until the October Thanksgiving Long Weekend each year. We offer wedding dates on Saturdays throughout the season, as well as on Wednesdays in July and August.

Country Acres is a wedding and event destination located 20 minutes east of Regina off the Trans-Canada Highway, near McLean, SK. Our 20 acre farm yard is nestled in a natural bluff of Poplar, Willow, Saskatoon and Chokecherry trees. A meandering creek runs through the woods, where wild roses, wild flowers and cattails make their home. Large expanses of lawn, flower gardens, antiques, barn-board farm buildings, and antique cars, trucks and farm machinery of days-gone-by provide a stunning country setting. This secluded country oasis has been referred to by guests as "a hidden gem" in Saskatchewan.

Everywhere you turn, there is a beautiful outdoor backdrop for your wedding ceremony and/or photographs, with numerous locations to choose from.

Our 4800 square foot wheel-chair accessible farm house showcases antiques and farm primitives of yesterday, while offering every modern amenity of today . . . including an elevator, fireplace, theatre lounge, hot-tub spa room, art studio . . . and so much more!

Our two 375 square foot guest rooms located in the Wedding Suite include full bath/shower ensembles, King-size beds, recliners, trundle daybeds, flat-screen TVs, Satellite TV and Internet for the comfort of our over-night guests. The nearby log cabin is a welcome retreat as well.

Our 4000 sq. ft. Event Tent (100' x 40') will accommodate up to 240 guests, plus the head table, as well as rectangle or round reception tables, chairs, podium, stage, dance floor . . . with plenty of room for the guest book/cards/gifts, buffet, cake/sweets, and memorial tables.

The attached event building houses the "Saloon" bar, prep kitchen and modern "Outhouse" washrooms, complete with whiskey barrel sinks! For the convenience of our camping guests, showers are located in both the Ladies' and Gentlemen's washrooms.
